

SlinkyScience.com

A fun and memorable domain for science, education and hands-on learning.

PLAY • EXPERIMENT • LEARN • DISCOVER

A distinctive Marketing Domain for physics demonstrations, science kits, STEM activities, educational toys, classroom resources and hands-on learning.

Potential Uses for SlinkyScience.com

Physics

Science Kits

STEM

Toys

Projects

A Playful Domain with a Real Connection to Physics

A spring toy naturally demonstrates waves, oscillation, motion, gravity, forces and energy transfer. SlinkyScience.com can support experiment kits, classroom resources, educational toys, STEM projects, videos and specialty ecommerce, or redirect to a focused category on an existing website.

MARKETING DOMAIN AVAILABLE FOR LEASE

Stretch curiosity - make science move

Flexible leasing - Professional management

For businesses, educators and serious science projects.
